1	Note that students may find better prices than Antonelli school store prices, especially for bulk purchases.				
2	All items in the kit are needed on the first day of the semester listed above.				
3	If ordering through the school store, you must place your order no later than July 15th to receive discount and to assure arrival by the first day of the semester.				
4	Please be reminded that supply costs (over the cost of the semester kits) will total approximately \$1350-\$1650 for each academic year (see page 12 of the interview book given to you during the admissions process and page 12 of the academic catalog .				
5	All prices and equipment subject to change due to market availability.
